Local Florida Virtual School® Student Graduates at Top of Class

Orlando, FL (May 31, 2018) – Florida Virtual School (FLVS®), a statewide public school district in Florida, is proud to recognize local resident, Kiley Robertson, for finishing in the top five of the FLVS Full Time Class of 2018. There are 686 students in this year's graduating class.

"Many people think that because it is an online school that teachers play little part in it, but this is far from true," said Robertson. "I had several teachers that changed the course of my educational entirely, and made all the difference in my life."

Over the summer, Robertson plans to work at the Jacksonville Zoo, and then attend the University of North Florida in the fall to study biomedical sciences, or ecology and evolutionary biology. After an internship at the zoo, she hopes to attend the University of Florida's College of Veterinary Medicine and become an exotic animal veterinarian.

This year's graduation ceremony took place at the University of Central Florida (CFE Arena, 12777 Gemini Blvd N, Orlando, FL 32816) on Tuesday, May 29 at 3 p.m.

Robertson is a resident of Callahan, FL.
